PURCHASES.—The Society purchases Reversions and Remainders, whether absolute or contingent, Life Interests, whether in possession or deferred, and generally all Interests (in approved property) that depend upon the duration of human life.

LOANS.—The Society also grants Loans on the security of such Interests, either on ordinary Mortgage or by way of Reversionary Charge. The latter mode meets the convenience of borrowers who do not wish to make any payment for either principal or interest until their Reversionary Property falls into possession. The amount to which the Society will then be entitled is fixed at the outset, and does not depend on the time elapsing between the grant of the Loan and its repayment. The option of redeeming the Charge during the first three or five years can usually be combined with this form of Loan.

LIFE ANNUITIES are granted by the Society in exchange for Reversions and other Interests, and also in consideration for Reversionary Charges payable when the property falls into possession. In this way a reversioner can secure a fixed income and avoid the trouble and expense of obtaining successive loans.

The operations of the Society not only enable future expectations to be turned into present cash on fair terms, but contingent interests which may never come into possession at all are also made available for immediate uses.

The Board of Directors meet on Wednesdays at Four o'clock, to consider proposals—forms for which and full information can be obtained at the Society's Offices—but immediate consideration will be given to business where dispatch is of importance.

SCOTTISH PROVIDENT INSTITUTION.

ESTABLISHED 1837.

IN THIS SOCIETY are combined the advantages of

Mutual Assurance with **Moderate Premiums.**

THE PREMIUMS are so moderate that an Assurance of £1,200 or £1,250 may generally be secured from the first for the yearly payment which usually would assure (with profits) £1,000 only—equivalent to an immediate Bonus of 20 to 25 per cent.

THE WHOLE SURPLUS goes to the Policyholders, on a system at once safe and equitable,—no share being given to those by whose early death there is a *loss* to the common fund.

Examples of Premiums for £100 at Death—with Profits.

Age.	25	30*	35†	40	45	50	55

15 Payments . .	3 8 5	3 12 1	3 18 0	4 5 8	4 16 2	5 11 8	6 9 11

* A Person of 30 may secure £1,000 at death by a yearly payment, *during life*, of £20 15s., which would in most Offices secure (with profits) £800 only. Or he may secure £1,000 by 25 payments of £26 10s., being thus free of payment before age 55.

† At age 35, the Premium ceasing before age 60 is, for £1,000, £28 17s. 6d., being about the same as many Offices require during life. To **Professional Men** and others whose income is dependent on health, the limit payment system is specially recommended.

The **SURPLUS** at last Investigation (1894) was **£1,423,000.**

More than one half of the Members who died during the last Septennial period were entitled to **Bonuses** which, notwithstanding that the premiums do not as a rule exceed the non-profit rates of other Offices, were on the average equal to an Addition of about 50 per cent. to the Policies which participated.

ACCUMULATED FUNDS, £10,500,000.

TOTAL FUNDS	£1,078,501
ANNUAL INCOME	£94,393
AMOUNT OF POLICIES IN EXISTENCE AND OUTSTANDING	
BONUS ADDITIONS	£2,187,909
AMOUNT OF CLAIMS PAID (including additions)	£3,463,575

Bonuses are declared every five years, and may be taken either as an addition to the amount of the Policy, by a present payment of the value in money, or in diminution of premiums, at the option of the party.

The additions to Policies for Seventy years have been at the high average rate of rather over 2 per cent. per annum on the sum assured.

This Office has always had a high reputation for strong reserves and large bonuses; but, after putting aside the strongest reserves for all liabilities, the highest rate of bonus ever declared by the Society was declared in June, 1895, viz. a Reversionary Bonus of £3 per cent. per annum on the sum assured for the five years to Whole Life With-Profit Policies, and four-fifths of that rate to Endowment Assurance With-Profit Policies. This is a remarkable financial success when compared with the bonus results of other Assurance Societies. The large sum of £145,000 undivided surplus was carried forward.

An interim Bonus of 1½ per cent. per annum on the sum assured is paid on Policies becoming claims in the interval of each five years.

Very low rates of Premium on the Non-Profit scale.

A special With-Profit scale of Premiums for those wishing to assure their lives for the smallest possible outlay.

The next division of profits to policy holders will be made in June, 1900.

A prospectus and proposal form will be sent on application to THE SECRETARY, 25 Pall Mall, London, S.W., or to the Correspondent at Oxford—C. N. JACKSON, Esq., M.A., Hertford College.

WILLIAM CLOWES & SONS, LIMITED, LAW PUBLISHERS AND BOOKSELLERS.

Second Edition, revised and enlarged, crown 8vo, cloth, 7s. 6d.

THE INSTITUTES OF JUSTINIAN. Illustrated by English

Law. Intended chiefly for Students at the Universities and Inns of Court.

By JAMES WILLIAMS, B.C.L., M.A., of Lincoln's Inn, Barrister-at-Law.

* * In this work the Institutes are, as far as possible, compared paragraph by paragraph with English Law upon the same subjects.

"A commentary upon the Institutes, which will be of great service to candidates for legal honours at the Universities."—*Law Times*.

"We can hardly speak too highly of the design of this small work, and the labour bestowed upon it."—*Law Students' Journal*.

Cheap Edition. 1 vol., cloth, 10s.

THE HISTORY OF THE ENGLISH CONSTITUTION.

By Dr. RUDOLPH GNEIST, Professor of Law in the University of Berlin.

Translated by PHILIP A. ASHWORTH, Esq., of the Inner Temple, Barrister-at-Law.

"No foreigner has done more than Professor Gneist to examine and make clear the history and nature of the English Constitution. . . . He discusses such vital questions as 'Whither are we drifting?' 'How far do recent changes in the franchise accord with the old spirit of the Constitution?' 'What is in store for us with democracy supreme?' On such questions as these the opinion of a foreigner, who is a scholar, but no bookworm, and who has sedulously studied our institutions, is certainly much more weighty than that of most Englishmen."—*Times*.

* * *Library Edition. 2 vols., 8vo, 32s.*

Second Edition, thoroughly revised. Demy 8vo, 2 vols., cloth, 38s.

BRETT'S COMMENTARIES ON THE PRESENT LAWS OF ENGLAND. By THOMAS BRETT, B.A., LL.B., Author of "Leading Cases in Modern Equity," and Joint Author of "Clerke and Brett's Conveyancing Acts, 1881-2."

* * A main idea of this book is to bring into special prominence the present and living law, and only to deal with past law, or that which is practically obsolete, so far as it is necessary to enable the reader to understand the present.

"We are glad to observe in the present Edition the marks of careful revision. . . . It is a comprehensive outline of existing English Law contained in a marvellously small compass, well arranged and so contrived by the insertion of illustrative cases and extracts, as to be interesting instead of repulsive to the student."—*Solicitors' Journal*.

Third Edition, thoroughly revised. Demy 8vo, cloth, 16s.

BRETT'S LEADING CASES IN MODERN EQUITY.

By THOMAS BRETT, of the Middle Temple, Barrister-at-Law, LL.B., Author of "Brett's Commentaries on the Present Laws of England," and Joint Author of "Clerke and Brett's Conveyancing Acts." UNIVERSITY SERMONS AND PREACHERS.

SERMONS are preached before the University, two on each Sunday, in full Term; one on Christmas Day, Good Friday, Ascension Day, Lady Day, and the Festivals of St. Mark and of St. John Baptist. There is also a Sermon at the several Assizes, and one in Latin with the Litany and Holy Communion at the beginning of Michaelmas, Hilary, and Easter Terms.

With certain exceptions specified below, the order of preaching is as follows.

1. The morning Sermons on Sundays in Term fall to the Dean and Canons of Christ Church, the Heads of Colleges, the five Divinity Professors, and the Professor of Hebrew, in the following order, which however the preachers are at liberty to vary by exchanging turns among themselves:—

Christ Church	Trinity	University
Magdalen	Christ Church	Exeter
New College	Brasenose	Christ Church
Christ Church	Oriel	Balliol
All Souls	Regius Prof. Div.	Jesus
Merton	Margaret Prof. Div.	Christ Church
Christ Church	Regius Prof. Hebr.	Pembroke
Corpus	Christ Church	Worcester
Queen's	Wadham	Reg. Prof. Past. Th.
Christ Church	Lincoln	Reg. Prof. Eccl. Hist.
St. John's	Christ Church	Prof. Exeg. Script.

2. The other Sermons fall to Graduates in the order in which they were admitted to Regency as Masters of Arts or to the degree of Bachelor of Civil Law.

To these two rules the exceptions are as follow:—

1. The morning Sermons on Sundays in Lent belong to the second order above stated, not to the first; the Bampton Lecture Sermons, mentioned below, are delivered in the morning; the preachers on the mornings of Quinquagesima Sunday and the last Sunday after Trinity (on each of which days by a special benefaction a Sermon is preached from a limited number of texts upon Humility or upon Pride), of Whitsun Day, and of the Sunday before the Encenia, are appointed by the Vice-Chancellor; the morning Sermon on Trinity Sunday is preached by a preacher appointed by New College; and, if any of the festivals mentioned in the next sentence or an Assize Sermon fall on a Sunday, the exception in that case applies to the morning Sermon.

2. The Vice-Chancellor appoints the preacher for the afternoon of every Sunday in Lent¹ in full Term, of Whitsun Day, of Trinity Sunday (when by a special benefaction a Sermon is preached 'upon Church Extension

¹ On one of the afternoons in Lent a Sermon, for which there is a special benefaction, is preached upon the Jewish Interpretation of Prophecy.

over the Colonies and Dependencies of the British Empire'), and of the Sunday before the Eucænia and for the Assizes; the Sermons on Christmas Day, Good Friday, and Ascension Day fall to the Dean of Christ Church; the Sermon on Lady Day is preached by a preacher nominated by New College, and the Sermons on the festivals of St. Mark and of St. John Baptist by Fellows of Magdalen.

Each person receives two months' notice of his turn; if he decline to preach, no one but a Select Preacher can be his substitute. No person may preach before the University without the approval of the Vice-Chancellor, nor unless he is at least a Master of Arts or a Bachelor of Civil Law in the University of Oxford, or of Cambridge, or of Dublin.

All University Sermons are preached at St. Mary's Church, except those of the Dean of Christ Church, and of preachers of New College and Magdalen, mentioned above, which are, or may be, delivered in the Cathedral and in the Chapels of those Colleges respectively.

In the form of Bidding Prayer before the Latin Sermons, before the Morning Sermon on the Sunday before the Eucænia, and before the Sermon at Assizes, are introduced the names of the

SELECT

There are ten persons, called 'Select Preachers,' appointed to supply the place of those who decline to preach in their own turns. They are to be chosen out of the Doctors and Bachelors of Divinity and of Civil Law and the Masters of Arts of the University of Oxford or of Cambridge or of Dublin. Five are nominated yearly in November by the Vice-Chancellor, the Regius and the Margaret Professors of Divinity, and the two Proctors. Three members of this Board, of whom the Vice-Chancellor is to be one, must concur in each nomination; and the names are then submitted singly to Convocation for approval. The office is tenable for two years, which run from Michaelmas Term; and no one can be appointed again until after the interval of a year. For the Select Preachers 1896-98 see *ante*, p. 21.

BAMPTON LECTURES.

In pursuance of the will of the Rev. John Bampton, M.A., sometime of Trinity College, Canon of Salisbury, 'Eight Divinity Lecture Sermons' are preached on as many Sunday mornings in full Term, 'between the commencement of the last month in Lent Term and the end of the third week in Act Term, upon either of the following subjects: to confirm and establish the Christian Faith, and to confute all heretics and schismatics—upon the divine authority of the Holy Scriptures—upon the authority of the writings of the primitive Fathers, as to the Faith and Practice of the primitive Church—upon the Divinity of our Lord and Saviour Jesus Christ—upon the Divinity of the Holy Ghost—upon the Articles of the Christian Faith, as comprehended in the Apostles' and Nicene Creeds.'

The Lecturer, who must be at least a Master of Arts of Oxford or Cambridge, is chosen yearly by the Heads of Colleges on the fourth Tuesday in Easter Term. No one can be chosen a second time.

The estate provided for the endowment now produces £120 to each Lecturer.

Lecturer, 1899.

William Ralph Inge, M.A., Fellow of Hertford.

¹ For a complete list of Select Preachers from the institution of the office in 1804, see the *Historical Register*, 1888, pp. 99 and foll.

The Act of Parliament, 3 James I, c. 5, by which Roman Catholics are disabled from presenting to any ecclesiastical benefice and from nominating to any free school, hospital, or donative, makes over to the University of Oxford their rights of presentation and nomination within the following counties, Berkshire, Buckinghamshire, Cornwall, Devonshire, Dorsetshire, Gloucestershire, Hampshire, Herefordshire, Kent, Middlesex, Monmouthshire, Northamptonshire, Oxfordshire, Somersetshire, Staffordshire, Surrey, Sussex, Warwickshire, Wiltshire, Worcestershire, Brecknockshire, Caermarthenshire, Cardiganshire, Montgomeryshire, Pembrokeshire, allotting the other twenty-seven counties of England and Wales to the University of Cambridge.

Besides this patronage, which is really its own, the University also presents to the Rectory of Great Gatcombe in the Isle of Wight as in trust for the Principal of St. Edmund Hall, and to the Rectory of South Moreton, Berks, as in trust for the Principal of Hertford College.

UNIVERSITY FELLOWSHIPS AND SCHOLARSHIPS¹.

Craven Fellowships and Scholarships.

Under a scheme sanctioned by the High Court of Justice in 1886 there are now two Fellowships and six Scholarships.

The Fellowships are tenable for two years, with an annual stipend of £200 a-year each. Candidates must have passed the Examinations required for the degree of B.A., and not have exceeded twenty-eight Terms from matriculation. One Fellow is elected annually in Michaelmas Term by a committee of five persons appointed for the purpose by the Board of the Faculty of Arts (*Literæ Humaniores*). The Committee may elect either without examination, or after such examination in Greek and Latin literature, history, and antiquities, or in some parts of these subjects, as they shall think fit. Every Fellow is required to spend at least eight months of each year of his tenure of the Fellowship in residence abroad for the purpose of study at some place or places approved by the electing Committee.

The Scholarships are tenable for two years, with an annual stipend of £40 each. Candidates must be members of the University who have not exceeded sixteen Terms from matriculation. Three Scholars are elected annually in Michaelmas Term after an examination conducted by three persons nominated by the Committee above mentioned. The examination is the same as that for the Ireland Scholarship, and the person elected to that Scholarship, if he has not already gained a Craven Scholarship, is elected at the same time to the first Craven Scholarship. No person can be elected a second time to a Craven Scholarship.

The agent for the Trustees of this foundation is John C. Thynne, Esq., Cloisters, Westminster Abbey, London, S.W.

RADCLIFFE'S TRAVELLING FELLOWSHIPS.

These Fellowships are three in number, each of the annual value of £200, and tenable for three years only. An Election is holden each year in Hilary Term. Candidates must have passed all the Examinations required for the degree of Bachelor of Arts, and must either have been placed in the First Class in one at least of the Public Examinations of the

University, or have obtained some University Prize or Scholarship open to general competition. Each Candidate must declare that he intends to graduate in Medicine in the University of Oxford, with the view of engaging in the practice of Medicine, and to travel abroad with a view to his improvement in that study; and no one is to be elected who is legally authorised to practise as a Physician. But in case neither any person willing to make such a declaration nor any person of sufficient merit for election shall offer himself as a Candidate, the Fellowship then vacant is to be thrown open to all persons who have been placed in the First Class in the School of Natural Science, whether authorised to practise or not, and the person then elected is not to be required to make such declaration.

Candidates are to be examined in such subjects connected with Medical Science, and by such official persons in Oxford, as the Electors (who are the Archbishop of Canterbury and other official personages) shall appoint.

A Fellow forfeits his Fellowship by spending more than eighteen months within the United Kingdom.

MATHEMATICAL SCHOLARSHIPS AND EXHIBITION.

There are four Scholarships, two Senior and two Junior, and one Exhibition. The value of a Senior Scholarship is £30 for the first, and £50 for the second year of its tenure. A Junior Scholarship is of the annual value of £30, and the Exhibition is of the value of £20 for one year.

One Scholar in each of the two classes is elected every year in the first week of full Hilary Term. Candidates for the Senior Scholarships must have passed all Examinations required for the degree of B.A., and must not have exceeded the twenty-sixth term inclusively from their matriculation. Candidates for the Junior Scholarships and for the

Exhibition must be Members of the University who have not exceeded seven terms from their matriculation inclusively. The standing of Candidates who have matriculated at Cambridge or Dublin before matriculating at Oxford is computed from the date of matriculation at Cambridge or Dublin as the case may be, Easter Term in either of those Universities being reckoned as equivalent to Easter and Trinity Terms at Oxford.

Each Scholarship is tenable for two years, provided the Scholar keep his name on the books of some College or Hall or of the Delegates of Non-Collegiate Students, and, if a Junior Scholar, provided he continue to attend to Mathematical studies. The Senior Scholar elected each year receives for one year only, over and above his proper stipend, the dividends of that moiety of Dr. Johnson's fund which was formerly assigned to his Mathematical Scholar, and is called the 'Johnson University Scholar.' These dividends amount to about £20 a-year. The Exhibition is tenable under the same conditions as the Junior Scholarship, and is awarded to the candidate for that Scholarship second in order of merit, if thought deserving by the Examiners.

The Examiners, not less than three or more than six in number, who must be at least Masters of Arts or Bachelors of Medicine or Civil Law, are appointed by the Trustees of the Foundation, namely, the Vice-Chancellor, the two Proctors, and the Professors of Geometry, Astronomy, Natural Philosophy, Experimental Philosophy, and Pure Mathematics.

KENNICOTT HEBREW SCHOLARSHIPS.

Under regulations made in 1885 there are two Scholarships, a Senior and a Junior.

The Senior Scholarship is awarded in Michaelmas term of every alternate year, and is tenable for two years, the emoluments consisting of a single payment of £120, made when the Scholarship is awarded. It is open to all members of the University who have passed the examinations for the degree of B.A., and who on the first day of the term in which it

is awarded have not exceeded twelve years from matriculation. It is awarded to the Candidate who on or before the first day of that term 'shall have sent in that which in the judgment of the Electors is the best dissertation on a subject connected with the Hebrew language or literature,' selected by the Candidate himself, subject to the written approval of the Regius Professor of Hebrew. The Electors are not bound to award the Scholarship for a dissertation which in their judgment is not of sufficient merit, and they have power to examine a Candidate in the subjects of his dissertation, and in questions arising immediately out of it. No residence is required in the case of a Senior Scholar.

The Junior Scholarship is of the annual value of £120, and is awarded every year in Michaelmas term after an examination in the Hebrew language and literature. Opportunity is given to Candidates for showing their acquaintance with the cognate Semitic languages. Candidates must not on the first day of the term in which the Scholarship is awarded have exceeded thirty terms from matriculation. The Scholarship is tenable for one year, during which the Scholar is to reside for seven entire weeks in Michaelmas and Lent terms severally, and seven weeks in the interval between the commencement of Easter term and the twenty-first day of Act term, but such residence may be dispensed with by the Board of Management of the Pusey and Ellerton Scholarships under certain conditions as to the pursuit of study or the undertaking of work elsewhere.

The Electors to both Scholarships are the Regius Professor of Hebrew and two other Members of the Universities of Oxford, Cambridge, or Dublin, not under the degree of Master of Arts, nominated by the above-mentioned Board of Management, and approved by Convocation.

UNIVERSITY PRIZES¹.

THE Subjects for all Prize Compositions are given out by the Vice-Chancellor, generally about Midsummer in each year; and at the same time the several days are stated by which the respective Compositions are to be sent in to the Registrar. Each writer is required to send in his Composition under a sealed cover, and to conceal his name, distinguishing his Composition by what motto he pleases, and sending at the same time his name under another sealed cover with the same motto written on the outside.

Such portions of the successful Compositions for the Chancellor's, the Newdigate, the Arnold, the Stanhope, and the two Gaisford Prizes, as the Public Orator and the Professor of Poetry appoint, are read each year at the Commemoration of Founders and Benefactors.

All unsuccessful Compositions are left with the Registrar, and may be received from him at his Office within the space of one year.

The subjects for 1898, and following years so far as at present announced, will be found at p. xxiv.

Pending the taking effect of a bequest for the same object contained in the will of Thomas Hill Green, M.A., sometime Fellow of Balliol College, and White's Professor of Moral Philosophy 1878-1882, his widow has offered, and the University has accepted, an annual sum of £30 for a Prize to be awarded once in three years for a dissertation on some subject relating to Moral Philosophy, the subject being selected and the Prize awarded by White's Professor of Moral Philosophy, the Waynflete Professor of Moral and Metaphysical Philosophy, and one other person, of the degree of M.A. or any superior degree, selected for that purpose by the Master and Scholars of Balliol College. Every Candidate for the prize must previously to the day appointed for sending in the dissertation have been admitted to or qualified for the degree of Master of Arts.

Prize-Men.

- 1887 Samuel Alexander, Fellow of Lincoln
 1890 Charles Warrack, Balliol
 1893 Robert Ranulph Marett, Fellow of Exeter

UNIVERSITY TERMS.

THERE are four Terms for academical exercises in each year, but for many Professors' Lectures and some other purposes Easter and Trinity Terms together count as only one.

No provision respecting the standing of Candidates shall be so construed as to debar any one from offering himself for any Examination held in either Easter or Trinity Term, who might have offered himself had the Examination fallen in the other of those two Terms.

1. **MICHAELMAS TERM** begins on the 10th of October, and ends on the 17th of December.

2. **HILARY (or LENT) TERM** begins on the 14th of January, and ends on the day before Palm-Sunday.

3. **EASTER TERM** begins on the Wednesday after Easter Day, and ends on the Friday before Whitsun Day.

4. **TRINITY (or ACT) TERM** begins on the day before Whitsun Day, and usually ends on the Saturday after the first Tuesday in July, but may be continued beyond that day by Congregation.

If the day fixed for the beginning or end of any Term happen to be a festival, the beginning or end of such Term is deferred till the day after, except only that Easter Term in such case ends the day before.

Full Term begins, for some purposes, on the Sunday after the first Congregation, that is, on the Sunday after the first day of Term; for others on a day fixed beforehand by the Hebdomadal Council.

Michaelmas and Hilary Terms are kept by six weeks' residence in each, Easter and Trinity Terms either by three weeks' in each or by forty-eight days' residence in the two Terms jointly.

DEGREES.

THE DEGREES conferred by the University upon Students are those of BACHELOR and MASTER in ARTS, BACHELOR of LETTERS, BACHELOR of SCIENCE, and of BACHELOR and DOCTOR in MUSIC, and in the three superior faculties of MEDICINE, CIVIL LAW, and DIVINITY. In the sub-faculty of SURGERY, which is included within the faculty of Medicine, the degrees of Bachelor and Master are conferred.

Sometimes, but very rarely, degrees are granted out of the ordinary course, by DECREE of CONVOCATION, or by DIPLOMA, to persons who have not, as well as to persons who have, been previously Members of the University; and less rarely they are given *honoris causa* without the full rights which ordinarily belong to them.

The conditions required for degrees in the ordinary course, *yet not for all alike*, are RESIDENCE, TIME or STANDING (as it is commonly called), EXAMINATION or EXERCISES, and, at the time of taking a degree, certain Declarations, and the payment of FEES, besides the Grace or consent of the Candidate's College or Hall or of the Delegates of Non-Collegiate Students, and of Congregation, which depend upon his conduct and character. Of these conditions, the Fees have been stated in the preceding article, and the following articles will explain the rest.

RESIDENCE FOR DEGREES.

In Arts.

Twelve Terms of Residence are, except in the case of a student from an Affiliated College or a Colonial or Indian University (see post, pp. 81, 83), required for the degree of Bachelor of Arts. No further residence is necessary for any degree in Arts.

A Student matriculated early in any Term may keep that Term by residence; and, when he has completed the residence necessary for keeping his twelfth Term, he may be admitted B.A. in that twelfth Term, provided he has passed all his Examinations. So that a Student matriculated, for example, in October, 1898, in which case he can pass his final Examinations in his eleventh and twelfth Terms, may become a Bachelor of Arts in June or July, 1901.

In Letters and in Science.

Eight Terms of Residence are required for the degree of Bachelor of Letters or Bachelor of Science. But the Board of the Faculty to which a Candidate's subject belongs may, in any one year, under certain conditions¹, for which reference should be made to the University Statutes, allow a Student residing in Oxford for purposes of study during vacation for a period of forty-two days, to reckon such period of residence as one Term's residence.

No further residence beyond that necessary for the degree of Bachelor of Arts is required for any degree in Medicine, Surgery, Civil Law, or Divinity.

TIME REQUIRED FOR DEGREES.

In Arts.

1. For the degree of Bachelor of Arts twelve Terms are required, which must be Terms of residence.

¹ One of these is that not more than four terms can be kept by residence in the same academical year.

2. A Bachelor of Arts can proceed to the degree of Master in the twenty-seventh Term from his Matriculation, provided he has had his name on the Books of some College or Hall or upon the Register of the Delegates of Non-Collegiate Students for a period of twenty-six Terms.

In Music.

1. No residence or Academical standing is required for the degree of Bachelor of Music.

2. A Bachelor of Music wishing to proceed to the degree of Doctor must have occupied himself in the study of Music for five complete years from the date of his admission to the degree of Bachelor of Music.

In Medicine.

1. Any person who has been admitted to the degree of Bachelor of Arts may be admitted to that of Bachelor of Medicine as soon as he has passed the requisite Examinations for the latter degree.

A Bachelor of Medicine may be admitted to the degree of Master of Arts, and yet retain his former degree.

2. A Bachelor of Medicine may proceed to the degree of Doctor in the thirty-ninth Term from his matriculation, provided his name has been on the books of some College or Hall or on the Register of Non-Collegiate Students for twenty-six Terms.

In Surgery.

1. Every person admitted to the degree of Bachelor of Medicine is *ipso facto* admitted also to the degree of Bachelor of Surgery.

2. A Bachelor of Surgery may proceed to the degree of Master of Surgery in the twenty-seventh Term from his matriculation, provided he has had his name on the books of some College or Hall or on the Register of Non-Collegiate Students for twenty-six Terms.

In Civil Law.

1. Any person who has been admitted to the degree of Bachelor of Arts may be admitted to the degree of Bachelor of Civil Law in the twenty-seventh Term from his Matriculation, provided he has had his name on the books of some College or Hall or on the Register of the Delegates of Non-Collegiate Students for twenty-six Terms.

A Bachelor of Civil Law may be admitted to the degree of Master of Arts, and yet retain his former degree.

2. A Bachelor of Civil Law may proceed to the degree of Doctor at the end of five years from his admission to the degree of Bachelor.

In Divinity.

1. A Master of Arts may be admitted to the degree of Bachelor of Divinity at the end of three years from his admission to Regency.

2. A Bachelor of Divinity may proceed to the degree of Doctor at the end of four years from his admission to the degree of Bachelor.

EXAMINATIONS AND EXERCISES FOR DEGREES.

In Arts.

Candidates for the degree of B.A. are required to pass three distinct Examinations, I. RESPONSIONS before the MASTERS OF THE SCHOOLS,

II. the FIRST PUBLIC EXAMINATION before the MODERATORS, III. the SECOND PUBLIC EXAMINATION before the PUBLIC EXAMINERS.

Full information as to the time of holding and manner of conducting these and all other University Examinations, the standing at which Candidates may offer themselves, the subjects to be taken in for examination and the books in which they may be studied, and the exemptions which are in certain cases allowed, will be found stated officially in the *Examination Statutes*, published annually in Trinity Term.

For the degree of Master of Arts no further Examination or Exercise is required.

In Letters and in Science.

Any person of the age of twenty-one years who has been or is qualified to be matriculated, may give notice to the Secretary of the Boards of Faculties of his desire to enter on a course of special study or research as a Candidate for the degree of Bachelor of Letters or Bachelor of Science, stating in general terms the subject and nature of the proposed course. Such a Candidate must have passed the examinations required for the degree of Bachelor of Arts, or have given evidence, satisfactory to a Committee appointed to deal with such cases, of his having received a good general education. He must also satisfy the Board of the Faculty to which his subject belongs, of his fitness to enter on the proposed course, and that the course is such as may profitably be pursued within the University.

The Candidate's notice having been approved, he pursues his course of study or research (which must extend over at least a complete year), under the superintendence and direction of the Board of the Faculty, who may appoint a Committee to superintend and report on his work. A fee of £3 is payable by each Candidate on admission.

On the completion of his course, a Candidate applies for a certificate of proficiency, at the same time paying a fee of £5. Thereupon the Board of Faculty satisfies itself as to this either by examination, or by requiring from him a dissertation or a report of work done. In case the Board directs a dissertation or report the Candidate is also publicly examined upon the same. Certificates are granted to those Candidates only who have attained a high standard of merit.

In Music¹.

1. Candidates for the degree of B. Mus. are required to pass two Examinations and to compose a piece of Music. Both Examinations are held twice a-year, beginning on the first Tuesday in May and November.

The first Examination is conducted partly in writing, partly *viva voce*, in harmony and counterpoint in not more than four parts.

Before presenting himself for this Examination every Candidate must produce to the Clerk of the Schools his matriculation paper and a certificate that he has either passed Responsions or an examination statutorily exempting therefrom, or a preliminary examination, conducted by the Masters of

¹ Candidates are advised to apply to the Clerk of the Schools, Oxford, for fuller particulars as to the subjects of examination than can be given here.

the Schools, in any two of the following languages—Greek, Latin, French, German, Italian.

The second Examination is conducted partly in writing, partly *viva voce*, in Harmony and Counterpoint in five parts, in the history of the art of music, in instrumentation, and musical form, and also in certain standard works selected from time to time by the Professor of Music. Before any candidate can present himself for this second Examination, he must not only produce the *Testamur* of having passed the first Examination, but must also have submitted for the approval of the Examiners a piece of Music in five-part harmony with an accompaniment for at least five stringed instruments; together with a written assurance that the whole of this piece of Music is of his own composition.

The Examiners are the Professor of Music, or the Choragus, and two other Graduates in Music nominated annually by the Vice-Chancellor and Proctors, and approved by Convocation.

2. A Bachelor of Music wishing to proceed to the degree of Doctor is required both to pass an Examination (held once a-year, beginning on the first Tuesday in November) conducted in writing, by the Examiners above mentioned, and previously to compose a Musical Exercise (with a statement signed by himself that he composed the whole of it), being a secular or sacred cantata scored for a full orchestra. The subjects of the examination are harmony and counterpoint in not more than eight parts, original composition, instrumentation, and the history of the art of music.

In Civil Law.

1. Candidates for the degree of B.C.L. must pass an Examination which is held once a-year, beginning on the Tuesday in the second week before the *Encenia*, and conducted by the Regius Professor of Civil Law (or a deputy), with three or four other Examiners nominated annually in Trinity Term. The Examination includes (1) Jurisprudence, general or comparative, (2) Roman Law, (3) English Law, (4) International Law: it is partly in writing, partly *viva voce*; Honours may be obtained in it by any who have not exceeded the twenty-fifth Term from their matriculation.

Every Candidate must give in his name and a list of the subjects in which he offers himself for examination to the Secretary of the Boards of Faculties not less than four weeks before the commencement of the Examination, paying at the same time the fee of £1 1s. A Candidate whose name has not been so given in, may be admitted on payment of two guineas in addition to the statutable fee, provided his name be received not less than two weeks before the day fixed for the commencement of the Examination.

2. A Bachelor of Civil Law wishing to proceed to the degree of Doctor must before supplicating for the latter degree have occupied himself in the study of Civil Law for five complete years from his admission to the degree of Bachelor, and have written a dissertation on a subject previously approved by the Regius Professor. The dissertation when approved by the Board of Faculty of Law is to be read by the Candidate publicly in the

presence of the Regius Professor. Or a Candidate may offer as his dissertation a book, treating in a scientific manner of a legal subject, already printed and published of which he is the author. In such a case the subject need not be previously approved by the Regius Professor, nor need the dissertation be read publicly, but it must have been approved by the Board of the Faculty.

In Medicine.

1. Candidates for the degree of B.M. are required to pass two Examinations, of which the first is held by the Regius Professor of Medicine or a deputy, nominated by the Vice-Chancellor to act in his absence, and six other Examiners who are nominated by a Committee chosen by the Board of the Faculty of Medicine and are subject to the approval of Convocation; the second by the Regius Professor or his deputy and seven other Examiners nominated in like manner. Each Examination is conducted partly in writing, partly *viva voce*, and part of each is practical. The Examinations are held twice a year, in Trinity Term and in Michaelmas Term. The subjects of the First Examination are (1) Organic Chemistry in its special relation to Physiology and Medicine, (2) *Materia Medica* and Pharmacy, (3) Human Anatomy and Human Physiology. The subjects of the Second Examination are Medicine, Surgery, Midwifery, Pathology, and Forensic Medicine and Public Health.

In the First Examination the three subjects may be offered separately or in any combination, and in any order: but those Candidates who have obtained a First or Second Class in the School of Natural Science in the subjects of Chemistry or of Animal Physiology are respectively exempted from the requirement to offer Organic Chemistry or Human Physiology. Every Candidate in Subject (3) of the First Examination must have passed in the School of Natural Science the Preliminary Examination in Mechanics and Physics, in Chemistry, in Animal Morphology, and in Botany; every Candidate in either subject (1) or (2) must have passed that Examination in Chemistry. The Examinations in Physics, Chemistry, Animal Morphology, and Botany in the Final Honour School of Natural Science are accepted as substitutes severally for the Preliminary Examinations in that School.

In the Second Examination all the subjects must be offered together. Every Candidate must have passed in all the subjects of the First Examination, and, before he is admitted to the Second Examination, must present certificates of instruction in Infectious Diseases and Mental Diseases, and of attendance on Labours and of proficiency in the practice of Vaccination.

Every Candidate at either Examination is required to give his name to the Secretary to the Boards of Faculties a fortnight at least before the day fixed for the commencement of the Examination. A candidate whose name has not been so given in may be admitted on payment of two guineas in addition to the statutable fee, provided his name be received not less than four days before the day fixed for the commencement of the Examination.

Every person admitted to the degree of Bachelor of Medicine is *ipso facto* admitted also to the degree of Bachelor of Surgery.

2. A Bachelor of Medicine wishing to proceed to the degree of Doctor is required to write a Dissertation on a subject connected with the Science or Practice of Medicine, including the History and Literature of the subject treated of, and to deliver it to the Regius Professor of Medicine, by whom it is submitted for the approval of those Professors and Examiners in the Faculty whose special subjects are dealt with in it. A Candidate may offer as his Dissertation a work already printed and published if written by him since taking the B.M. degree, and if such printing and publication shall have taken place within the two years immediately preceding¹. The Regius Professor may direct the Dissertation to be read in public.

In Surgery.

Candidates for the degree of Master of Surgery must have passed the Second B.M. Examination, and are further required to pass an Examination held yearly in Trinity Term, after the completion of that Examination, by the Regius Professor of Medicine and the two Examiners in Surgery for the B.M. degree. The subjects of examination are the Practice of Surgery, Surgical Anatomy, and Surgical Operations.

Every Candidate is required to give his name to the Secretary to the Boards of Faculties a fortnight at least before the first day of the week in which the Examination is to be held, and, if not already a member of the Surgical Staff of a recognised Hospital, to produce at the same time a certificate, countersigned by the Regius Professor, of having acted in such a Hospital as Dresser or House-Surgeon for six months.

In Preventive Medicine.

An Examination, open to all Bachelors of Medicine in the University and to all Registered Medical Practitioners, is held yearly in Michaelmas Term in subjects bearing on Preventive Medicine and Public Health (Hygiène, General Pathology, with special relation to Infectious Diseases, Sanitary Law, Sanitary Engineering, and Vital Statistics). No one is admitted as a Candidate unless his name has been on the Medical Register of the United Kingdom for twelve months, and unless he has spent after registration six months studying in a Public Health Laboratory approved by the Board of the Faculty of Medicine, and not less than six months in all studying under the Medical Officer of Health of a County or of a City or Town containing at least 50,000 inhabitants, or under two or more such Medical Officers of Health, or has himself held the position of Medical Officer of Health to a County or an Urban District of more than 20,000 inhabitants.

The Examiners are the Regius Professor of Medicine, and three other persons, one of whom must be a Medical Officer of Health, or an Inspector under the Local Government Board.

Certificates of proficiency, styled Diplomas in Public Health, are granted to those who pass this Examination.

¹ Any person admitted to the degree of B.M. before the end of Trinity Term, 1886, may proceed to the degree of D.M. under the provisions of the Statutes in force before March 16, 1886.

In Divinity.

1. A Candidate for the degree of Bachelor of Divinity is required to read before the Regius Professor in the Divinity School two Dissertations upon subjects previously approved by the Professor.

No one can be admitted to the degree without exhibiting his Letters of Priest's Orders, or a Certificate from the Registrar of the diocese where he was ordained stating that he had obtained them.

2. A Bachelor of Divinity wishing to proceed to the degree of Doctor is to read in the Divinity School three exegetical Lectures upon portions of Holy Scripture.

A Master of Arts who has completed fifteen years from his admission to Regency may, with the consent of Convocation, take the two degrees in Divinity *by accumulation*, that is, both at the same time, doing the Exercises for one of the two only, whichever he may choose.

DECLARATION ON TAKING DEGREES.

Before admission to the degree of M.A., D.M., D.C.L., B.D., or D.D., each person is required to promise that he will observe the Statutes, Privileges, Customs and Liberties of the University, and will act faithfully, creditably and honestly in the two Houses of Congregation and Convocation, especially in all that concerns Graces for Degrees and in Elections. Candidates for the degree of B.D. or D.D. have also to make and subscribe a Declaration of Assent to the XXXIX Articles and to the Book of Common Prayer¹.

Candidates for any other Degree are merely admonished that they are bound to observe the Statutes, Privileges, Customs and Liberties of the University.

DEGREES GRANTED TO ABSENT PERSONS.

A Bachelor of Arts, or of Civil Law, or of Medicine, resident in any British colony, may have the degree of Master of Arts, or of Doctor of any of the three superior faculties, conferred upon him in his absence. For this purpose, he must of course attain the standing requisite for each degree, and obtain the Grace of his College or Hall or of the Censors of Non-Collegiate Students; he must transmit letters testimonial of his good conduct and character, signed, if he be in Holy Orders, either by the Bishop or the Archdeacon of the colony, or, if he be a layman, by either the Bishop, the Archdeacon, or the Governor of the colony, or by a Judge in the Supreme Court of it; and, if he desire the degree of Doctor of Civil Law or of Medicine, he must compose the requisite Dissertation and send it to the Regius Professor of the faculty; or, if he desire the degree of Doctor of Divinity, he must compose two Dissertations on some theological subject proposed to him by the Regius Professor of Divinity, and his Dissertations must be approved by the Professor; a Candidate for either degree in Divinity must also transmit to the Vice-Chancellor satisfactory proof that he has subscribed the Declaration of Assent.

¹ This Declaration of Assent and the form of the required promise are set forth in Tit. IX. Sect. II. § 2 of the Statutes.

INCORPORATION.

UNDERGRADUATE Members of the Universities of Cambridge or Dublin can supplicate in Congregation to have the Terms kept by them at those Universities reckoned as if they had been kept at Oxford. No Term can be taken into account unless it has been kept by bona fide residence (duly certified by the College) during six full weeks. All applicants for incorporation must previously have matriculated in this University, and before the expiration of twenty-one days in full Term after their matriculation must have transmitted to the Registrar certificates of the date of matriculation in their own University and of Terms kept by residence.

No Graduate in any Faculty can supplicate for incorporation without previously having obtained express permission from the Hebdomadal Council. In their case, in addition to the certificate of matriculation and of Terms kept by residence (at least nine in number), the certificate of their degree must also be transmitted to the Registrar within the above-mentioned limits.

Graduates in Divinity incorporating are required to subscribe the Declaration of Assent. Graduates in Law and Medicine can be incorporated only upon passing the Examinations in those Faculties respectively, and they must also have passed at their own Universities all the Examinations required for the B.A. degree.

AFFILIATED COLLEGES.

By a Statute of the University passed in 1880, and largely amended in 1893, any College or Institution within the United Kingdom or in any part of the British Dominions, being a place of education in which the majority of the students are of the age of 17 at least, may on certain conditions be admitted to the privileges of an Affiliated College. The conditions are in effect as follows :—

The College or Institution must be incorporated by Royal Charter or otherwise established on a permanent and efficient footing; it must allow the University to be represented on its Governing Body; it must have been admitted to the privileges of an Affiliated College by a vote of Convocation; and the connexion between it and the University must be terminable at the will of either body.

Any member of an Affiliated College may be admitted to the examination in Stated Subjects or in an Additional Subject or in the Greek language only in Responsions without having been matriculated.

Any member of an Affiliated College who is completing or has completed a second year as a member of the College, and who has not been matriculated, may be admitted to (1) any part of the preliminary examination in Natural Science and to the preliminary examination in Jurisprudence, provided he offer himself not later than Easter or Trinity Term in the third year from his admission to the College, and (2) any part of the First Public Examination, provided he offer himself not earlier than Easter or Trinity Term in the second, nor later than the same Term in the third, year from his admission to the College.

Any member of an Affiliated College who has received from the Delegates of Local Examinations a certificate of having completed at such College a systematic course of study approved by the University, and has obtained Honours in the second or final examination at the College, and is matriculated not earlier than the Michaelmas Term next following the Easter Term which falls during the third year from his admission to the College nor later than the Michaelmas Term in the following year, shall be at liberty on matriculation to claim the status of an Affiliated Student; and if before matriculation he has already passed any of the examinations mentioned in the last preceding paragraph, or if at the time of matriculation his name has been entered for any such examination and the examination has not been concluded so far as he is concerned, he shall be required to accept the status of an Affiliated Student at matriculation. The condition as to his having obtained Honours in the second or final examination at the Affiliated College may be dispensed with at the discretion of the Delegates of Local Examinations.

That status is as follows :—

An Affiliated Student is not required to pass Responsions or, provided he has satisfied the conditions under which other candidates are exempted, the First Public Examination. He may not supplicate for the degree of B.A. until he has passed one of certain examinations of or approved by

the University in which he has satisfied the Examiners in Greek, and he is not admitted to any part of the Second Public Examination other than the Honour Schools of Literæ Humaniores and Theology until he has passed one of such first-mentioned examinations.

For the purpose of 'standing,' the reckoning in the case of an Affiliated Student is made as though he had matriculated in Michaelmas Term preceeding the Easter or Trinity Term which fell in his third year at the College.

He may supplicate for the degree of B.A. as soon as he has passed the Second Public Examination and kept statutable residence for eight Terms, provided he has obtained Honours either in the First or Second Public Examination.

The effect of this Statute is to reduce the period of necessary academical residence for a person coming from an Affiliated College, and in other respects satisfying the requirements of the Statute, from three to two years.

For further particulars as to the mode of obtaining admission to the benefits of the Statute, and as to the examinations accepted as a sufficient test of a candidate's knowledge of Greek, reference must be made to the Statute itself.

The institutions at present admitted to these privileges are—

- 1880 June 1. St. David's College, Lampeter.
- 1882 June 15. University College, Nottingham.
- 1886 June 29. Firth College, Sheffield.

COLONIAL AND INDIAN UNIVERSITIES.

By a Statute of the University dating from 1887 any University situated in any part of the British Dominions other than the United Kingdom may apply to be admitted to the privileges thereby conferred.

The application is to be addressed to the Vice-Chancellor, by whom it is reported to the Hebdomadal Council. The Council may, after consideration and due enquiry, propose to Convocation that the University so applying be admitted to the privileges above referred to.

When a University has been thus admitted, any person who has pursued during two full years the course of study prescribed by such University, and has passed all the examinations connected therewith, may, subject to his passing certain examinations in this University, be matriculated here, and may reckon the Term in which he matriculates as the fifth Term from his matriculation, thus shortening the period of necessary academical residence by one year.

For particulars as to the examinations to be passed by such a person before matriculating, and as to the conditions on which, having matriculated, he may be admitted to the remaining examinations, and also as to special conditions affecting those born in India of parents born in India, reference must be made to the Statute 'On Colonial and Indian Universities' in the volume entitled *Statuta Universitatis Oxoniensis*, published annually at the Clarendon Press.

The Universities at present admitted to the privileges of the Statute are—

- 1888 Nov. 27. The University of the Cape of Good Hope.
- The University of Sydney.
- 1889 May 21. The University of Calcutta.

COLLEGES.

IN the following pages the several Colleges are placed in the reputed order of their foundation.

The date appended to the name of a Graduate denotes the year in which he took the degree under which his name appears, except in the case of members of Exeter, St. John's, and Wadham Colleges, where the date is always that of the first degree.

The date and letter appended to the name of an Undergraduate denote respectively the year and term of his matriculation, M. signifying Michaelmas Term, L. Lent (or Hilary) Term, E. Easter Term, and T. Trinity (or Act) Term.

I. UNIVERSITY COLLEGE.

THE College of the Great Hall of the University, commonly called University College, is said to have been founded in the year 872 by Alfred the Great. The first historical endowment of the College dates from 1249, when William of Durham, said to have been Rector of Wearmouth and Archdeacon of Durham, bequeathed a sum of money for the maintenance of ten or more Masters of Arts.

The foundation consists (according to the new Statutes made in 1881) of a Master, thirteen Fellows (including one Civil Law Fellow), sixteen Scholars, and (ultimately) seventeen Exhibitioners.

The Fellowships are tenable for seven years, but this term may (except in the case of the Civil Law Fellowship) be extended under certain conditions.

The Civil Law Fellowship was founded in 1837 by Mary Anne, Viscountess Sidmouth, in honour of her father, Lord Stowell, sometime Fellow of this Society. It is open to Members of the University of Oxford who have passed all the Examinations required for the Degree of Bachelor of Arts, and have not exceeded thirty Terms from their Matriculation.

The Scholarships are of the value of £80 per annum, and are open to all who have not exceeded the age of nineteen on the day of election. They are tenable in the first instance for two years, but this term is extended to four years in case of good conduct and industry, and may for special reasons be extended to five years.

The two Lodge Exhibitions (annual value about £82) and the Heron Exhibition (annual value not exceeding £70) are open to all persons in need of support at the University who are not more than twenty-one years old nor of more than six Terms' standing.

The three Freeston Exhibitions (annual value £50) are confined in the first instance to the Grammar Schools of Normanton, Wakefield, Pontefract, and Swillington, and the four Gunsley Exhibitions (annual value not less than £45) to the Grammar Schools of Rochester and Maidstone.

The two Linton Exhibitions (annual value not less than £40) are awarded 'for special proficiency in Modern History,' and are open to all persons who are not more than twenty-one years of age nor of more than eight Terms' standing.

All the above Exhibitions are held on the same tenure as the Scholarships.

The new Statutes also provide that there shall be created a General Exhibition Fund for the purpose of assisting such members of the College as the Master and Fellows shall judge to be in need and deserving of assistance at the University.

II. BALLIOL COLLEGE.

FOUNDED by John Balliol, of Barnard Castle in the county of Durham, and Dervorgilla his wife (parents of John Balliol, King of Scotland), some time between the years 1263 and 1268. There are now twelve Fellowships and fifteen Scholarships on the old foundation at this College; the latter of £80 a-year, open to candidates under nineteen years of age. There are five Scholarships of £60 a-year, for persons educated at Blundell's School, Tiverton, on the foundation of Mr. Peter Blundell; one of which is to be filled up annually by examination at the School. There are four Mathematical Scholarships, tenable for four years, of the value of £80 a-year. Two of these are on the foundation of Dr. Prosser. There are also eight Scholarships, of £80 a-year, tenable for four years, 'for the encouragement of the study of Law and History, and of the study of Natural Science, in order to qualify Students for the professions of Law and Medicine respectively,' founded by Hannah, daughter of the late Francis Brakenbury, as a grateful memorial of her deceased brothers, James B. Brakenbury and Ralph Brakenbury, and in recognition of an ancient connection between the families of Balliol and Brakenbury.

Three Exhibitions (or more, according to circumstances) of £70 a-year are annually offered by the College for open competition among all Candidates who have not completed the eighth Term from their matriculation. There are also a certain number of Williams Exhibitions of £40 a-year each, partly founded out of a fund left by the Rev. John Williams for the purchase of livings.

The Warner Exhibition, of about £85 a year, is confined to natives, or those whose fathers were natives, of Scotland.

The Newte Exhibition of about £40 a year is confined to Scholars of Blundell's School.

The Greaves Exhibition has a preference for Scholars educated at Ludlow School.

All these Scholarships and Exhibitions, under the regulations of the Oxford University Commission of 1882, are tenable for two years; there is a power of renewal for two years longer if the College are satisfied with the

Scholar or Exhibitioner ; and a further power of extension to five years for special reasons. They can only be held during residence.

The nomination to the Snell Exhibitions is vested in the Principal and Professors of Glasgow University, and the election in the Master and Fellows of this College. These are filled up by an examination held at Glasgow. They are tenable during residence for three years, and are of the value of about £130 a year.

Henry Skynner, Esq., who died in the year 1884, bequeathed by Will certain ground-rents in London for the foundation of Fellowships and Scholarships having for their object the study of Mathematics and Astronomy. A Scholarship on this foundation, of the value of £90 a year, tenable for five years, has been established out of the endowment, and was competed for for the first time in the year 1887.

Two Lectureships of £150 a year, one on the Greek Language and Literature and the other on Philosophy, have been founded in the College in memory of Benjamin Jowett, M.A., Master 1870 to 1893, by his friends.

The Lewis Nettleship Memorial Scholarship in Music, of the value of £40 a year, is tenable for three years during residence, and may be, for special reasons, extended for one year longer.

Two Exhibitions of £100 a-year, tenable for four years, have been founded under the will of Richard Jenkyns, D.D., late Master of the College ; to be filled up by competition among those members of the College who have not exceeded sixteen Terms of academical standing.

On the death of the last Principal of New Inn Hall, the Rev. Henry Hubert Cornish, D.D., in 1887, that institution became, by virtue of a Statute made by the University of Oxford Commissioners in 1881, united with Balliol College, and those members of New Inn Hall who desired to be transferred are now included in the list of members of Balliol College.

The Statute of Incorporation provides that the College should yearly apply out of its corporate revenue £150 to enable Students being members of the College and residing in the Buildings of the Hall to live at a diminished cost, or else with the consent of the Visitor should appropriate a similar annual sum in granting Exhibitions to deserving members of the College in need of assistance to support them at the University. The College, having found it undesirable to carry out the first alternative, has established a scheme under the sanction of the Visitor for granting Exhibitions.

Visitor.

The Master and Fellows of this College by their Statutes enjoy the singular privilege of electing their own Visitor. The present Visitor is

The Right Hon. Viscount Peel, M.A., Hon. D.C.L., elected in 1894.

III. MERTON COLLEGE.

THIS College, originally called the House of Scholars of Merton, was founded in the year 1264, at Malden in Surrey, by Walter de Merton, sometime Chancellor of England, and afterwards Bishop of Rochester. The first body of Statutes was given by the Founder in 1264, the third and last in 1274, in which year the House of the Scholars was removed to Oxford.

Under the new Statutes made by the University of Oxford Commissioners in 1881, the number of Fellowships with emolument is not to be less than nineteen and may be raised to twenty-six. Subject to certain reservations, these Fellowships are tenable for seven years. Most of them are awarded upon the results of an examination, but the College is empowered, within certain limits, to elect without examination any Professor or Public Reader in the University; any person of eminence in Literature, Science, or Art, who shall undertake literary, scientific, or educational work; and any person who has been appointed to act as Bursar, Tutor, or Lecturer of the College.

The number of Postmasterships, or Scholarships, is eighteen, but may be increased. Provision is made for their being assigned, in a definite rotation, to Classics, Mathematics, and Natural Science respectively. Their annual value is £80, inclusive of rooms and all allowances. They are tenable for two years from the day of election, but may be renewed for a further period of two years, if the Warden and Fellows, after receiving a report from the Tutors, shall declare themselves satisfied with the Postmaster's industry and good conduct. Under special circumstances, they may be again extended for one year longer. No person is eligible to a Postmastership who has exceeded the age of nineteen on the day of election.

Two of these Postmasterships, being Chambers Postmasterships, are still reserved to Candidates educated at Eton College, if any shall present themselves 'of sufficient merit for election.'

There are also four Exhibitions of £80 a year, to which persons are eligible without restriction of age. They are subject to the same conditions

as the Postmasterships with regard to tenure, and one of them is awarded annually after an examination in Modern History.

There is also an Exhibition Fund, which is formed for the purpose of assisting poor students and of promoting study among the Undergraduate Members of the College. The College from time to time grants Exhibitions out of this Fund to Candidates who show merit in the Postmastership examinations, and prove to the electors that they are in need of assistance at the University, and are otherwise deserving.

On the resignation of the last Principal of St. Alban Hall in 1882, that institution (said to date from the early part of the fifteenth century) became, by virtue of a statute made by the University of Oxford Commissioners in 1881, united with Merton College, in which its property, site, and buildings are now vested.

IV. EXETER COLLEGE.

THIS College was founded in 1314 by Walter of Stapeldon, Bishop of Exeter. The foundation was enlarged by Sir William Petre under charter granted by Queen Elizabeth in 1565.

There are, including the Chaplain Fellowship, twelve Fellowships, of which three are for the present suspended.

There are twenty-one or more Foundation Scholarships: of these, eight (called Stapeldon Scholarships) are limited to persons born or educated in the old Diocese of Exeter, and either one or more (called King Charles the First's Scholarships) to persons born in any of the Channel Islands, or educated at Victoria College, Jersey, or Elizabeth College, Guernsey. The rest of the Scholarships are open. Four are usually awarded for proficiency in Mathematics. The College exercises the power of adding to the number of Open Scholarships.

The Stapeldon Scholarships are of the value of not less than £60 a year; the remainder of £80.

If no duly qualified candidates present themselves for the limited Scholarships, these also may for the time be thrown open.

Candidates for all the above-mentioned Scholarships must be under nineteen years of age.

There is also a Scholarship founded by Mr. George Redsell Carter of the value of £80 a year, for which persons born in the County of Kent who are already members of the College have a preference *ceteris paribus* over other candidates. Subject to this reservation the Carter Scholarship is open.

Two Scholarships of the value of £80 per annum each have also been founded by Miss Marianne Frances Hasker, for the advancement of sound learning and for the encouragement of the study of Theology by persons intending to take Holy Orders. These Scholarships are open to all persons born British subjects who need assistance at the University.

There are various Exhibitions in the gift of the College. Of these, two have the same limitation as King Charles the First's Scholarships, two

(How) are limited to sons of clergymen with preference for the Founder's kin, or, in default of these, for sons of clergymen resident in the County of Somerset or of Devon; one (Gifford) is limited in the first instance to Candidates educated at Ashburton School; two (Symes and Michell) are restricted to students of Divinity; one (Richards) to persons already members of the College; one (Loscombe Richards) open without restriction. The other Exhibitions are open, and are awarded for proficiency in Classics and in the various subjects of the Final Schools. The College has power to add to the number of Open Exhibitions.

There is no limitation of age for the Carter or Hasker Scholarships or for the Exhibitions. Candidates for any Exhibition must be in need of assistance at the University.

V. ORIEL COLLEGE.

THIS College was founded by Edward II in 1326, on the suggestion of Adam de Brome, his almoner, for a Provost and ten Fellows. Eight Fellowships (and several Exhibitions) have since been added by various Benefactors.

By Statutes made by the Commissioners under the Universities Act 1877 the number of Fellows (exclusive of Professor Fellows) will be gradually reduced to twelve. The Regius Professor of Modern History and the Oriel Professor of the Interpretation of Holy Scripture are Professor Fellows.

Under the same Statutes there are at least ten Scholarships and two Exhibitions, called the Exhibitions of Adam de Brome, tenable for four years (which may be extended for special reasons to five years); the value of each of these Scholarships and Exhibitions (during residence) being £80 per annum. Candidates for these Exhibitions must be deserving persons in need of support at the University; to a Scholarship no one is eligible who has attained the age of nineteen years.

Bishop Fraser's Scholarship, founded under the bequest of Mrs. Fraser in memory of her husband James Fraser, Bishop of Manchester 1870 to 1886, and formerly Fellow of the College, is of the value of £100 per annum. The object of it is to enable some member of the College to pursue some special branch of study for one year (which may be extended to two years) from the time he shall have taken the degree of B.A., or shall be qualified to take that degree. If no member of the College is qualified for the Scholarship, it may be thrown open to other members of the University.

There are also seven Exhibitions besides those above named, and two Bible Clerkships.

VI. THE QUEEN'S COLLEGE.

FOUNDED in 1340, O.S., by Robert de Eglesfield, Chaplain to Philippa Queen of Edward III, from whom it is called the Queen's College.

Under the new Statutes (1882) the College consists of a Provost, from fourteen to sixteen Fellows, about twenty-five Scholars (of whom four or five, called Eglesfield Scholars, are, if suitable candidates present themselves, to be natives of Cumberland or Westmorland), and two Bible-Clerks.

Five Scholarships have been founded under the will of the late Rev. Sir E. R. Jodrell, Bart., M.A., of the College, who died in 1882.

The Hastings Exhibitions are open to candidates from the schools of Carlisle and St. Bees in Cumberland, Appleby, Heversham and Kendal in Westmorland, Bradford, Doncaster, Giggleswick, Halifax (Heath), Hull (Hymers), Leeds, Pocklington, Richmond, Ripon, Sedburgh, Wakefield, and York, in Yorkshire.

There are also Exhibitions in the gift of the College, (Fitzgerald) for natives of Middlesex, (Thanet) for boys from Appleby School, (Fox) for natives of Cumberland and Westmorland educated at St. Bees School, (Dixon) for natives of Whitehaven, (Wilson) for boys from Kirkby Lonsdale and Kendal Schools, besides others of smaller value.

The Tylney Exhibitioner is nominated by the owner of Tylney Hall. The Thomas Exhibitions, for sons or orphans of clergy in the Diocese of Carlisle, and the Berry Exhibitions, for sons of clergy in the Diocese of Manchester, are in the gift of Trustees, of whom the Provost is one.

An Exhibition has been founded (1895) under a bequest of Rev. John Wilson, B.D., formerly Fellow and Tutor, to be called the Holwell Exhibition, for the encouragement of the study of Theology among Students of the College in their fourth or fifth year.

VII. NEW COLLEGE.

THIS College was founded, in 1379, by William of Wykeham, Bishop of Winchester and sometime Lord High Chancellor of England, for a Warden, seventy Fellows and Scholars, ten Chaplains, three Clerks, and Sixteen Choristers.

Under the Statutes made by the Oxford University Commissioners in 1881, and approved by the Queen in Council, May 3, 1882, the Fellowships hereafter are to be divided into three classes, viz. Professor Fellowships, Tutorial Fellowships, and Ordinary Fellowships.

The Professor Fellowships are to be five in number, and are to be annexed to the Savilian Professorships of Geometry and Astronomy; the Professorship of Logic; a Professorship of Ancient History; and a Professorship of Physics; and the holders of the last three Professorships are to be called Wykeham Professors.

The Tutorial Fellowships are to be so many, not exceeding ten, in number, as the Warden and Fellows may deem necessary.

The Ordinary Fellowships are to be not less than fourteen in number, nor more than will make up the whole number of Fellowships to thirty-six, including any Fellowship to which a Bursar may have been elected.

So soon as the revenues of the College will permit, two Ordinary Fellowships (called respectively Winchester and Open Fellowships) are to be filled up annually by competition. One of these is to be open to all persons who shall have been educated for at least two years in the School of Winchester College, or have been for at least twelve Terms members of New College; the other is to be open to all persons who shall have passed all the Examinations required by the University for the Degree of B.A.

The Scholarships are divided into two Classes, respectively called Winchester Scholarships and Open Scholarships.

The Winchester Scholarships are so many as will enable the Warden and Fellows to elect to six such Scholarships in each year, from the boys receiving education in the School of Winchester College; no dis-

inction being made between members of the foundation of Winchester College and boys not members thereof.

The Open Scholarships are to be so many as will enable the Warden and Fellows to elect to four Open Scholarships in each year.

No Candidate is eligible to an Open Scholarship whose age on the day of election shall exceed nineteen years.

The emoluments of a Scholarship, inclusive of rooms and all allowances, if any, are £80 a year.

Every Scholarship is tenable for two years from the day of election; but the tenure may be prolonged for a further period of two years; and, for special reasons, for one year more.

A fund is to be established for the purpose of maintaining Exhibitions to be held by Undergraduate Members of the College.

The Choir is to consist of such a number of Chaplains, Lay Clerks, and Choristers, as the Warden and Fellows shall from time to time determine. At present it consists of three Chaplains, seven Lay-Clerks, and eighteen Choristers.

X. MAGDALEN COLLEGE.

THIS College was founded in 1458, by William of Waynflete, successively Head Master of Winchester and Eton Colleges, Provost of Eton Bishop of Winchester, and some time Lord High Chancellor of England for a President, forty Fellows, thirty Scholars called Demies, a Schoolmaster, an Usher, four Chaplains, a Steward, an Organist, eight Clerks and Sixteen Choristers. Exhibitions, tenable by Demies and other Members of the College, have been added at different times by various Benefactors.

Under the existing Statutes the number of Fellowships within the College is to be not less than thirty nor greater than forty.

Of these Fellowships four are to be attached to the four Waynflete Professorships in the University, one to the Professorship of Botany, and one to the Professorship of Mineralogy.

Other Fellowships, not exceeding eleven in number, may be held officially by persons holding the office of Dean of Divinity, Senior Dean of Arts, Bursar, or Tutor in the College. Of the remainder, which are tenable under certain conditions for seven years, two, so far as practicable, are to be filled up in every year; and the examination for them is to be held in subjects connected with the studies of the University, special reference being had in the examination for one Fellowship, once at least in every three years, to excellence in Theology, and in every seven years once at least to excellence in Mathematics, and once at least to excellence in Natural Science or Medicine.

In addition to Senior Demysships not exceeding eight in number, to be held by members of the University who have passed all the Examinations required for the Degree of Bachelor of Arts, the number of Junior Demysships is fixed at thirty, and the value of each is not to exceed £80 a year.

In every year elections to one or more Demysships are to take place with special reference to proficiency in one or more of the following subjects: Mathematics, Natural Science, Modern History and Literature, or Modern

Languages, if candidates sufficiently qualified in these subjects (who shall also satisfy the electors that they are otherwise fit to be members of the College) shall present themselves.

The annual sum of £500 is to be applied by the College to the granting of Exhibitions of such amount, and for such periods, and to such persons, being in need of support at the University and otherwise deserving, whether members of the College or not, as the President and Fellows, or electors appointed by them for that purpose, shall think fit.

The constitution of the Choir remains unaltered.

Classical Demysships and Exhibitions are now awarded in November, Natural Science and History Demysships and Exhibitions in October, Mathematical in January.

XL. THE KING'S HALL AND COLLEGE OF BRASENOSE.

FOUNDED in 1509, by the joint benefaction of William Smith, Bishop of Lincoln, and Sir Richard Sutton, Knt., of Prestbury, in Cheshire. The College took the place of Brasenose Hall, the existence of which can be traced back to the thirteenth century. The foundation was for a Principal and twelve Fellows; eight Fellowships were afterwards added; and by an Ordinance of the Commissioners under the Act 17 and 18 Vict., cap. 81, all the Fellowships were thrown open. The statutes made by the University of Oxford Commissioners under the Universities Act of 1877 fixed the number of Fellowships at twelve, exclusive of Supernumerary Fellows and of the Fellowship held *ex officio* by the Camden Professor of Ancient History.

Scholarships and Exhibitions were added at different times by various benefactors; the chief of whom are, John Claymond, D.D., President of Corpus Christi College; John, Lord Mordaunt; Alexander Nowell, Dean of St. Paul's; Samuel Radcliffe, D.D., Principal of the College; Thomas Yate, D.D., Principal of the College; William Grimboldson, M.D.; and Sarah, Duchess Dowager of Somerset, who founded eighteen Scholarships for persons educated at the Schools of Manchester, Marlborough, and Hereford, and also four Scholarships restricted to the first of the above-named Schools. At present the revenues derived from the Somerset trust estates are not sufficient to supply the full number of twenty-two Scholarships. In failure of candidates properly qualified from the Schools, these Scholarships are now opened to general competition.

At least £900 a year is charged on the corporate revenues of the College for the endowment of open Scholarships of the annual value of £80.

All the Scholarships, as well as the Junior Hulme Exhibitions (see below), are tenable in the first instance for two years and renewable for a like period. Their tenure may be extended under special circumstances to a fifth year. The Scholarships are open to Candidates of not more than nineteen years of age.

William Hulme, Esq., of Kearsley, in the county of Lancaster, founded, in 1691, four Exhibitions, now increased to twenty or more under a scheme framed by the Charity Commissioners and approved by the Queen in Council, August 26, 1881. The Junior Exhibitions are awarded after a competitive examination. They are of the annual value of £80, and are open to Candidates of not more than twenty years of age.

The Senior Exhibitions are awarded, in ordinary cases after competitive examination, to Members of the College who have resided for not less than six nor more than thirteen Terms, and who have been placed in the Honour List at Moderations. Their annual value is £130, and they are tenable for four years.

In 1842, three Exhibitions, to be called the Colquitt Clerical Exhibitions, were founded by the three Misses Colquitt, of Green Bank, in the county of Lancaster. These Exhibitions, which are of the value of £40 per annum, are intended to assist in the education for the Ministry in the Church of England, according to its Articles and Liturgy, of the sons of indigent or deceased Clergymen, or of such Laymen as cannot, unaided, support the expenses of a College education. They are open to persons who at the time of the examination are not members of the University, and to members of the College who at the same time have not exceeded two years from matriculation. They are not tenable after four years from matriculation.

In 1875, an open Classical Scholarship, of the value of £100 per annum, was founded by Mrs. Jane Robinson in memory of her brother the Rev. John Watson, M.A., sometime Fellow of the College.

XII. CORPUS CHRISTI COLLEGE.

THIS College was founded in the year 1516, by Richard Fox, Bishop of Winchester and Lord Privy Seal, for a President, three Professors (whose lectures were to be open to the University at large), twenty Fellows, twenty Scholars, two Chaplains, two Clerks, and two Choristers. The Clerks and Choristers were subsequently designated Exhibitioners.

When the provisions of the Statutes made by the University of Oxford Commissioners in 1881 shall have been fully carried out, it will consist of a President, five Professorial Fellows, five or six Official Fellows, three Extraordinary Fellows, fourteen Ordinary Fellows, and thirty-six Scholars. The Professorial Fellowships will be annexed respectively to the Chairs of Latin, Jurisprudence, Moral Philosophy, Comparative Philology, and the Romance Languages.

The College at present consists of a President, fourteen Fellows, two of whom are Professorial Fellows, and twenty-six Scholars.

The Scholarships, which are confined to persons who do not on the day of election exceed the age of nineteen years, are of the annual value of £80, and are tenable, under certain conditions, for four or, in exceptional cases, five years from Matriculation.

Two Exhibitions, not limited as to age, are usually awarded at the same time as the Classical Scholarships.

XIII. CHRIST CHURCH.

THIS Foundation, projected on a magnificent scale by Cardinal Wolsey, was established by King Henry VIII in 1546, and consisted of a Dean, eight Canons (since reduced to six), a hundred Students (to which number one was added in 1664 by a benefaction from William Thurstone, Esq.), eight Chaplains (since reduced to six), a Schoolmaster, an Organist, eight Clerks, and eight Choristers.

The House is now governed by Statutes made by the University of Oxford Commissioners, which became law in 1882.

Under these Statutes, there is a body of Students (equivalent to Fellows) who are divided into two Classes, Official and Non-Official.

There is also a body of Scholars.

Of these, three may be elected each year from Westminster School, and hold their places, in the first instance, for two years; but at the end of this period their tenure may be extended for three years more if the Governing Body shall have declared itself satisfied with their industry and good conduct.

There are also six Open Scholarships offered for competition every year, of which one is offered for proficiency in Mathematics, one for proficiency in Natural Science, and one for proficiency in History. These Scholars hold their places for two years; but at the end of this period their tenure may be extended for a second term of two years if the Governing Body shall have declared itself satisfied with their industry and good conduct; and again for a further term of one year, under similar conditions and for special reasons.

All these Scholarships are of the annual value of £80, inclusive of all allowances.

Two Dixon Scholarships have been founded by Mrs. Dixon, widow of Colonel Dixon. They are tenable for two years by members of the House, who at the time of their appointment have passed all the examinations required for the Degree of B.A. They are tenable with any other Scholarship or Exhibition within the House.

There are eight Open Exhibitions of £45 a-year, together with Tuition and dinner free, tenable in the first instance for two years, at the end of which time they may be extended by the Governing Body in the same way and under the same conditions as the Open Scholarships. Candidates before being allowed to compete must satisfy the Dean that without such assistance they cannot maintain themselves at College. There is no other limitation.

Three Fell Exhibitions of £40 a-year, tenable for three years during continuous residence, and one Boulter Exhibition of £40, tenable for one year during continuous residence, are filled up by competition among Commoners of the House who have resided not less than three Terms.

Three Exhibitions of £50 a year, tenable for three years, are offered for competition annually at Westminster School.

The Slade Exhibition (the interest on Miss Slade's gift of £1000 Consols), tenable for one year, is awarded annually after an examination, and is open to undergraduates of any standing.

The Dukes Prize, founded by the Rev. E. R. Dukes, formerly Student, is awarded annually after an examination in French, and is open to all undergraduates.

The Careswell Exhibitions are filled up by examinations holden each year either at Shrewsbury School or at one of five other Schools in Salop, and are tenable under certain conditions for ten years. The House awards four smaller College Exhibitions among the Careswell Exhibitioners if they are qualified under the conditions stated above for the Open Exhibitions.

There are two Holford Exhibitions of £60 a year, tenable for five years: they are offered for competition among persons educated at Charterhouse School for at least two years last preceding the date of election, or last preceding the date of their matriculation. No one is eligible who is of more than four Terms' standing.

XIV. TRINITY COLLEGE.

TRINITY COLLEGE was founded in 1554-5 by Sir Thomas Pope, Knt., of Tittenhanger, Hertfordshire, for a President, twelve Fellows, and twelve Scholars, in the house and precinct of the Benedictine hall called Durham College, which was founded c. 1286 by Prior Richard de Houton, endowed by Bishop Thomas Hatfield c. 1381, and dedicated to the Holy Trinity, Our Lady, and St. Cuthbert. A thirteenth Scholarship was founded by Richard Blount, Esq., cousin of Dame Elizabeth Pope.

The Fellowships and Scholarships are open. The latter (of which there are now sixteen) are worth £80 per annum. Fellows are elected in Trinity Term, Scholars in Michaelmas Term. There are several Exhibitions, some open, others for members of the College.

In 1873 the College received a legacy under the will of Thomas Millard, Esq., who directed the income to be applied so as to advance Mathematical and General Science in the College.

XV. ST. JOHN'S COLLEGE.

THIS College was founded in 1555, by Sir Thomas White, Knt., Alderman of London. The original foundation consisted of a President, fifty Fellows and Scholars, one Chaplain, an Organist, six Singing Men, eight Choristers, and two Sextons.

Under the Statutes made by the University of Oxford Commissioners, the foundation will hereafter consist of—

1. Not less than fourteen nor more than eighteen Fellowships, of which seven may be Official Fellowships, the rest tenable for seven years. To these may, at future times, be added two *ex officio* Fellowships, to be held by the Laudian Professor of Arabic and the Professor of Mechanics and Civil Engineering.

2. Not less than twenty-eight Scholarships, of which six shall be open, fifteen appropriated to Merchant Taylors' School, two to Coventry School, two to Bristol School, two to Reading School, and one to Tunbridge School.

3. Four Senior Scholarships, also confined to former pupils of Merchant Taylors' School.

There is also one open Scholarship, created from the estate of William Lambe by Statute 35 & 36 Victoria, c. cliv.

In 1854, four Fellowships tenable for fourteen years were established in this College in pursuance of the will of Dudley Fereday, Esq., of Ettingshall Park, Staffordshire. They are open, with certain limitations and under certain conditions in respect of literary proficiency, first, to the kindred of the Founder; secondly, to natives of Staffordshire; and in case of a Founder's kin or Staffordshire candidate not satisfying the conditions, then to any other person whatsoever.

Under the will of the Rev. John Thomas Casberd, D.C.L., Prebendary of Llandaff, four Scholarships have been founded, each of the value of £80 per annum, and also certain Exhibitions. Candidates to be Undergraduates not on any foundation, of at least one year's standing in the College.

¹ A Merchant Taylors' Fellow must be presented to this Rectory.² Preference to be given to a member of the College educated at Merchant Taylors' School.

XVI. JESUS COLLEGE.

FOUNDED by Queen Elizabeth in 1571.

The College consists of a Principal and not fewer than eight nor more than fourteen Fellows.

In the elections to Non-official Fellowships, unless one-half of the whole number of Fellows would have been eligible under the terms of the following restrictions, no person is eligible unless he be a native of Wales or Monmouthshire, or has been a Welsh Scholar of Jesus College, or, having been at the time of his Matriculation eligible to a Welsh Scholarship, has been for the eight Terms preceding his Degree of Bachelor of Arts a member of the College.

There are twenty Foundation Scholarships, of which eight—to be increased to twelve when the funds of the College admit—are open without restriction as to place of birth. There are also six Meyricke Scholarships (of which two are awarded to Graduate Members of the University of Wales, or of St. David's College, Lampeter), and one King Charles the First's Scholarship, and about sixteen Meyricke Exhibitions, and two King Charles the First's Exhibitions.

The King Charles the First's Scholarship and Exhibitions are restricted to Candidates born in Jersey or Guernsey or one of the islands adjacent to them, or educated for two out of the three years last preceding the election either at Victoria College, Jersey, or Elizabeth College, Guernsey.

The other Scholarships and the Meyricke Scholarships and Exhibitions are restricted to candidates who are either (1) natives of Wales or Monmouthshire; or (2) sons of parents who have been resident in Wales or Monmouthshire for a period of not less than seven years immediately preceding the day of election; or (3) have a knowledge of and are able to speak the Welsh language; or (4) have been educated for the three years last preceding the election (or last preceding their Matriculation if already Members of the University) at a school or schools in Wales or Monmouthshire; if any such person be found of sufficient merit, and

fit to be a Scholar or Exhibitioner of the College in the judgment of the electors.

There is also an Exhibition founded by subscription in memory of Mr. Assheton Smith, limited to natives of Carnarvonshire; and another founded by Mr. Thomas Phillips, for a pupil from Llandoverly School.

The Open Foundation Scholarships are restricted to Candidates under nineteen years of age. There is no age restriction for candidates for the other Scholarships or for Exhibitions.

Exhibitions of variable amount and tenure, for the assistance of such members of the College receiving instruction under the direction of the College as the Principal and Fellows may deem to be in need of assistance at the University, are under no farther restrictions.

The value of a Scholarship is £80 a year, and that of an Exhibition does not exceed £50 a year.

XVII. WADHAM COLLEGE.

FOUNDED by Nicholas Wadham, of Merifield in the county of Somerset, Esquire, and Dorothy his wife, daughter of Sir William Petre, to be a College of Students 'ad laudem gloriam et honorem Omnipotentis Dei, bonarum literarum incrementum, ac communem hujus regni utilitatem.'

The Society was founded in 1612, under Letters Patent granted by King James I, and consisted originally of a Warden, fifteen Fellows, fifteen Scholars, two Chaplains, and two Clerks. Under the present Statutes, which were approved by the Queen in Council on May 3, 1882, there are to be not less than eight or more than ten Fellowships, inclusive of one held by the Professor of Experimental Philosophy, and of one for the encouragement of the study of Medicine, on the foundation of John Wills, D.D., Warden 1783-1806.

There are eighteen Scholarships, including five on the foundation of Humphrey Hody, D.D., Regius Professor of Greek 1698-1707, and sometime Fellow.

The election to two of Dr. Hody's scholarships is made after an examination in the Hebrew language and literature, and in the election to the other three special regard is to be had to knowledge of Greek.

The Scholarships are of the value of £80 a year. They are tenable in the first instance for two years, but in the case of all scholars whose conduct and industry are satisfactory this term is prolonged to four years, to which for special reasons a fifth may be added. Candidates for scholarships must be under nineteen years of age on the day of election, except in the case of Dr. Hody's scholarships for Hebrew, for which the limit of age is twenty.

The election of Fellows takes place on the Wednesday after the Encænia; the election of Scholars on the sixth of December.

From the income of Dr. Hody's fund prizes are given within the College on such conditions as the Warden and Fellows may determine, for proficiency in the Greek language and literature, or in Greek Archæology.

There is a general Exhibition fund, formed from the funds given for exhibitions by Mr. Goodridge, Mr. Pigot, Sir Benjamin Maddox, Bishop Lisle as executor to Mr. Somerscales, Mr. Warner, and Dr. Gerard, with the residue of the income of Dr. Hody's Benefaction.

There are also two Exhibitions for scholars of the Manchester Grammar School, founded in 1874 by the executors of Mr. Philip Wright of Manchester; and one for a commoner of the College, founded in 1877 by the will of Benjamin Parsons Symons, D.D., Warden 1831-71.

XVIII. PEMBROKE COLLEGE.

THIS College, originally Broadgates Hall, was founded in the year 1624, by King James the First, at the costs and charges of Thomas Tesdale, Esquire, of Glympton in Oxfordshire, and Richard Wightwick, B.D., Rector of Ilsley, Berks., for a Master, ten Fellows, and ten Scholars, or more or fewer; and obtained its name from William Herbert, Earl of Pembroke, who was Chancellor of the University when it was founded.

Queen Anne attached a Canonry of Gloucester to the Mastership.

The constitution of the College by Statutes of the Commissioners made in pursuance of the Universities of Oxford and Cambridge Act, 1877, is now as follows:—

The College is to consist of a Master, of not less than ten Fellows, and of not less than twelve Scholars.

Two of the Fellows are styled Sheppard Fellows. Of these, one is to be called to the Bar, and the other is to proceed to the Degree of D.M.

There are at present about twenty Scholarships and two Exhibitions.

Four of the Scholarships are Foundation Scholarships. Four are Abingdon Scholarships. Two are Oades and Stafford, and two are Boulter and Radcliffe Scholarships.

There are two or more King Charles I Scholarships and one Morley Scholarship.

The normal value of all these is £80 a year.

There is one Rouse and one Holford Scholarship, each of the value of £60 a year.

The number of Townsend Scholarships is not to exceed four, and the value of each is £80 a year.

The Cleobury Scholarship is of the value of about £100 a year, and the Henney Scholarship of £90 a year.

Two Scholarships founded by Mrs. Dorothea Wightwick are of the value of £75 a year.

Two King Charles I Exhibitions are of the value of £50 a year.

The Foundation, Oades and Stafford, Boulter and Radcliffe, Henney and Cleoburey Scholarships are open. The rest are limited in the first instance to Candidates enjoying certain rights of preference, but in default of fitting persons are thrown open to general competition.

XIX. WORCESTER COLLEGE.

THIS College, established in 1283 as a School for Benedictine monks under the name of Gloucester Hall or College, received its charter of incorporation in 1714 as a foundation for a Provost, six Fellows, and six Scholars, under the will of Sir Thomas Cookes, Bart. It has been further endowed by subsequent benefactors, Mrs. Sarah Eaton, Dr. Clarke, Dr. Finney, Lady Holford, Mr. Kay, and Mr. Barnes.

Under the Statutes of 1882 the College will consist of a Provost, nine (or ten) Fellows, and nineteen Scholars: five on the Foundation of Sir Thomas Cookes, for persons educated at Bromsgrove School; four on that of Mrs. Eaton, for sons of Clergymen of the Church of England, or of some Church in communion therewith, needing assistance at the University; the remainder are open; namely, one on the Foundation of Dr. Finney; five on that of Dr. Clarke; one on that of Mr. Barnes, for the encouragement of Classical and Biblical studies; and three others.

There are also from six to ten Exhibitions, two of which are connected with the Charterhouse School, and three with Bromsgrove School.

XX. HERTFORD COLLEGE.

ABOUT the year 1282 Elias de Hertford converted into a Hall for students certain premises in Oxford, which were thereafter known by the name of Hertford, Hert, or Hart Hall.

In 1740, Dr. Richard Newton, then Principal of Hart Hall, obtained a charter of incorporation for the Society, under the title of 'The Principal and Fellows of Hertford College, in the University of Oxford;' but, the endowments proving insufficient, the College was in consequence dissolved in 1805. A part of the property of the dissolved College was transferred to the University, and the Hertford Scholarship was endowed therefrom. The remainder was transferred to Magdalen Hall under the following circumstances.

Magdalen Hall, originally designed by Bishop Waynflete for students previously to their admission into Magdalen College, and governed by one of the Fellows of that College, became, in 1602, an independent Hall. In 1816, the President and Fellows of Magdalen College, being desirous of recovering the site of the Hall, obtained an Act of Parliament (56 Geo. III. c. 136), enabling them to acquire for Magdalen Hall the site and buildings previously occupied by Hertford College. The Principal and other Members of the Hall were accordingly removed to these premises in 1822, and received, as stated above, the residue of the property formerly held by Hertford College.

In 1874, an Act was passed (37 and 38 Vict. c. 55), by which Magdalen Hall was dissolved, and the Principal and Scholars thereof were, together with certain Fellows mentioned in the Act, incorporated as a College of the University of Oxford under the name of 'The Principal, Fellows, and Scholars of Hertford College, in the University of Oxford,' and invested with '*all such rights and privileges as are possessed or enjoyed or can be exercised by other Colleges in the University of Oxford.*'

This Society consists at present of a Principal, fifteen Fellows, and forty Scholars.

The new foundation consists of an endowment, the gift of Thomas Charles Baring, M.A., for fifteen Fellowships, thirty Scholarships, seven Lectureships, and the offices of Dean and Bursar. There are also (besides one unendowed Fellowship) two Fellowships tenable only by married men for a limited number of years. The thirty Scholarships are of the annual value of £100, and tenable for five years. Most of them are open.

Of the ten Scholarships formerly belonging to the dissolved Hall, and tenable for at least three years, four, founded by the Rev. John Meeke, are now of the annual value of £40, and are limited in the first instance to persons educated at the Free Grammar School at Worcester; but in the absence of qualified candidates from that School, are thrown open to general competition. The other six are open, three founded by Mr. Henry Lusby; and one, of the annual value of £50, as a memorial of Dr. Macbride, late Principal of Magdalen Hall; and two, founded by the Rev. William Lucy, of the annual value of £40.

There are also two Exhibitions, founded respectively by Dr. Thomas White and Dr. Henry Brunzell, in the gift of the Principal, and other Exhibitions are from time to time awarded by the College.

PUBLIC HALLS.

ST. MARY HALL.

THIS Hall was originally the Parsonage-house of the Rectors of St. Mary's Church, till Edward II, in 1325, gave the Church with all its appurtenances to Oriel College. It was converted by that Society, in 1333, into a separate place of education, and subsequently became an independent Academical Hall.

The Nowell Exhibition is tenable for four years from Matriculation; preference being given first to kin of the Founder or of his Wife, then to the lawful descendants of the Rev. John Rawbone (sometime Vice-Principal of St. Mary Hall) by Jane Mary his wife.

ST. EDMUND HALL.

ST. EDMUND HALL is commonly said to derive its name from St. Edmund, Archbishop of Canterbury in the reign of Henry III, and to have been founded in 1226.

In 1557 it came into the possession of Queen's College; which Society procured in 1559 an Act of Congregation, confirmed by the Chancellor, which vested in them the perpetual right of nominating the Principal.

In 1763, George Holme, D.D., sometime Fellow of Queen's College, and Rector of Hedleigh, Hants, bequeathed the sum of £1,000 to the University, in trust to apply it, with accumulated interest, to the purchase of the Advowson of a Living, to which the Principal of St. Edmund Hall should be presented. In 1821 the Advowson of Gatcombe in the Isle of Wight (Pop. 224) was purchased, to which the University first presented in 1844.

Members of this Hall are admitted to the Lectures given in Queen's College.

NEW FOUNDATIONS.

By a Statute of the University, passed in 1871, entitled, 'On New Foundations for Academical Study and Education,' it was provided that any Society or House founded after January 1, 1870, should have the privileges possessed by the Colleges and Public Halls within the University on condition (1) that its Head be a Member of Convocation, or of the degree of B.A., B.C.L., or B.M., or a graduate of some University within the United Kingdom; (2) that it have suitable buildings within the precincts of the University; (3) that its members be incorporated by Royal Charter, or that provision be otherwise made for its establishment on a permanent footing and for its government; (4) that it have been admitted to the above-mentioned privileges by vote of Convocation after not less than fourteen days' notice.

The only Society that has as yet come under the provisions of this Statute is the new foundation of Keble College, which was admitted to them by Decree of Convocation on April 18, 1871.

KEBLE COLLEGE.

THE College was built by subscription as a memorial to the late Rev. John Keble, Vicar of Hursley, near Winchester, sometime Fellow and Tutor of Oriel College, and Professor of Poetry in the University of Oxford. The College was incorporated by Royal Charter bearing date June 6, 1870, and by this Charter it is declared to be 'founded and constituted with the especial object and intent of providing persons desirous of academical education, and willing to live economically, with a College wherein sober living and high culture of the mind may be combined with Christian training based upon the principles of the Church of England.' The College is governed by a Warden and a Council of not less than nine, nor more than twelve, members. The whole charge and superintendence of the discipline and internal administration is lodged by the Charter in the hands of the Warden.

By a decree of Convocation passed April 18, 1871, this College was admitted to the privileges mentioned in *Stat. Tit. II. Sect. VI. On New Foundations for Academical Study and Education.*

NON-COLLEGIATE STUDENTS.

IN the year 1868 persons were first permitted, under certain conditions prescribed in *Statt. Tit. III. Sect. I and IV*, to become Students and Members of the University without being members of any College or Hall. Such persons keep their statutable residence in houses or licensed lodgings within the limit of a circle the centre of which is Carfax, and the radius a line one mile and a half in length; they enjoy the same rights of profiting by Professors' lectures, of competing for University Prizes, of attaining distinction in the Public Examinations, and of being admitted to Degrees and to all the consequent privileges, as are enjoyed by other students.

The reception of Students into the University under the prescribed conditions, and the exercise of discipline over them during their residence in Oxford, are committed to a Delegacy consisting of the Vice-Chancellor, the Proctors, a Censor, the Controller of Lodging Houses, and six Members of Convocation holding office for six years, of whom two are elected by Congregation, two by the Hebdomadal Council, and two are nominated by the Vice-Chancellor and Proctors subject to the approval of Convocation. The Censor, who is nominated by the Vice-Chancellor and Proctors, holds office for five years.

The Students are under the supervision of the Censor, who is charged with the care of their conduct and studies. There are also Tutors appointed by the Delegates to give instruction to the Students.

By the gift of Mrs. Shute, in memory of her husband, the late Richard Shute, M.A., Student of Ch. Ch., a Scholarship has been founded of the value of £50 a year, and also one or more Exhibitions.

PRIVATE HALLS.

A Statute passed in 1882 (in substitution for an earlier one dating from 1855) enacts that any Member of Convocation above the age of twenty-eight may, under certain conditions, obtain from the Vice-Chancellor, with the consent of the Hebdomadal Council, a licence to open a suitable building as a Private Hall for the reception of academical students with the title of 'Licensed Master,' and make provision for the proper government of the students under his charge. They are subject to all other Statutes of the University; and they partake in its privileges, and are admissible to its degrees, in the same way as other students.
